**In *All New Square Food Gardening, 3rd Edition*, the best-selling gardening book in North America is re-launched and updated for the next generation of gardeners and beyond.**

Since Square Foot Gardening was first introduced in 1981, the revolutionary new way to garden developed by Mel Bartholomew has helped millions of home gardeners **grow more** fresh produce **in less space** and **with less work**. Now, based largely on the input and experience of these millions, the system has been even further refined and improved to fully meet today's changing resources, needs, and challenges.

With **over 150 new photos and illustrations**, this new edition makes it easier than ever to achieve nearly-foolproof results in virtually any situation: **100% of the produce; 20% of the water; 5% of the work.**

Perfect for experienced Square-Foot-Gardeners or beginners, the original method created by Mel has not changed in any significant way with this new 3rd edition of *All New Square Foot Gardening*. It remains: build a box; fill it with Mel's Mix; add a grid. But along with the classic steps, you will find some interesting and compelling new information, such as: Adding trellises and archways Substituting with new materials Adding automatic watering systems "Thinking Outside the Box" with creative configurations and shapes Square Foot Gardening in dense urban areas with little or no yard Square Foot Gardening with kids Crop protection **Don't wait another season** to try Mel's brilliant approach to gardening! We're sure it will work for you and you won't look back.
