She's the ultimate off-limits woman...

There are only three rules in life you should truly follow to the letter.

One: Always make time to help a buddy.

Two: Definitely turn down that last tequila shot.

And three: Absolutely, no matter how beautiful, smart, clever and witty she is, do not--under any circumstances--fall in love with your best friend's woman.

Oops.

Seems I missed following that last one. And the trouble is, she just walked back into my life in a big way....

Pass the tequila.

There are three things I've never been able to resist -- **my friends, my family, and chocolate.**

Leo Hennessy? He was nowhere on that list. He's been a friend and only that. A friend who walked through hell and back with me.

Now, I'm stepping into my new future, and I didn't expect it to include a riddle-filled, race-against-the-clock scavenger hunt across New York City.

With Leo.

Suddenly, I'm looking at this man with new eyes...

But I can't risk a temptation as I start over and Leo is most definitely a temptation of the **sexiest, sweetest, and most dangerous variety.**

More delicious than chocolate...
