Uproarious advice and never-before-seen color photos from drag queen extraordinaire Bianca Del Rio

The cheeky, larger-than-life drag queen and outrageous comic—"The Joan Rivers of the Drag World," (New York Times)—who isn't afraid to shock or offend brings her trademark acerbic wit and sharp commentary to the page in an illustrated collection of advice.

When it comes to insult comics, Bianca Del Rio is in a class by herself. Fierce, funny, and fabulous—a would-be love child sired by John Waters and birthed by Joan Rivers—Bianca sandblasted her name in the annals of pop culture on RuPaul's Drag Race. Thanks to her snarky frankness, impeccable comedic timing, and politically incorrect humor, she became the show's breakout star, winning its sixth

season.

In *Blame It On Bianca Del Rio*, Bianca shares her opinions loudly and proudly, offering raucous, hilarious, no-holds-barred commentary on the everyday annoyances, big and small, that color her world, and make it a living, albeit amusing, hell for anyone who inhabits it. A collection of biting advice filled with vibrant photos from Bianca's twisted universe, *Blame It On Bianca Del Rio* will shock you and keep you laughing. But be warned: it is not for the faint of heart!
