Help Your Kitty Catch Their Breath Again!!! Feline asthma affects millions of cats in the United States alone. It can be mild, moderate, or severe, with some severe asthma attacks even being fatal. While the potential of losing your furry family member can be intimidating to some pet owners, it is important to remember that asthma, no matter how severe, does not have to change your cat's quality of life, and is very manageable...

In this very short & simple book, you will learn 19 different tactics that you can use to improve your asthmatic cat's quality of life - everything from small environmental changes that can improve breathing quality, to tips for administering feline inhalers.
