FROM THE AUTHOR OF THE BESTSELLING BIOGRAPHIES OF BENJAMIN FRANKLIN AND ALBERT EINSTEIN, THIS IS THE EXCLUSIVE BIOGRAPHY OF STEVE JOBS.

Based on more than forty interviews with Jobs conducted over two years—as well as interviews with more than a hundred family members, friends, adversaries, competitors, and colleagues—Walter Isaacson has written a riveting story of the roller-coaster life and searingly intense personality of a creative entrepreneur whose passion for perfection and ferocious drive revolutionized six industries: personal computers, animated movies, music, phones, tablet computing, and digital publishing.

At a time when America is seeking ways to sustain its innovative edge, and when societies around the world are trying to build digital-age economies, Jobs stands as the ultimate icon of inventiveness and applied imagination. He knew that the best way to create value in the twenty-first century was to connect creativity with technology. He built a company where leaps of the imagination were combined with remarkable feats of engineering.

Although Jobs cooperated with this book, he asked for no control over what was written nor even the right to read it before it was published. He put nothing off-limits. He encouraged the people he knew to speak honestly. And Jobs speaks candidly, sometimes brutally so, about the people he worked with and competed against. His friends, foes, and colleagues provide an unvarnished view of the passions, perfectionism, obsessions, artistry, devilry, and compulsion for control that shaped his approach to business and the innovative products that resulted.

Driven by demons, Jobs could drive those around him to fury and despair. But his personality and products were interrelated, just as Apple's hardware and software tended to be, as if part of an integrated system. His tale is instructive and cautionary, filled with lessons about innovation, character, leadership, and values.

[PDF] La doctora de Maguncia

<http://library.dgmedia.info/cl?book=431617578&c=cl&format=pdf>

En la ciudad de Maguncia, en una fría noche de 1330, una comadrona se dirige a la casa del comerciante judío Benjamin Speyer. El llanto de una joven que está dando a luz en plena calle interrumpe su camino. Pese a todos sus esfuerzos, la madre de la pequeña muere, y los...

[PDF] Meditación (Edición ampliada con más de 80 meditaciones OSHO)

<http://library.dgmedia.info/cl?book=431617578&c=cl&format=pdf>

Un gran clásico de OSHO, el manual para la práctica de la meditación. Las páginas de este libro nos transmiten un mensaje claro: la meditación no es una disciplina espiritual alejada de la vida diaria sino que, en su esencia, es el sencillo arte de ser consciente...

[PDF] Primera regla: no hay reglas

<http://library.dgmedia.info/cl?book=431617578&c=cl&format=pdf>

¿Puede acabar bien un amor que empezó de la peor manera posible? Poppy siempre creyó que no, pero aun así, la atracción que sentía por él no le permitió ser objetiva y terminó cediendo a sus encantos, hasta que todo acabó peor de...

[PDF] Si te atrevieras a quererme

<http://library.dgmedia.info/cl?book=431617578&c=cl&format=pdf>

Me llamo Paula, estoy divorciada (por suerte), no tenía un trabajo decente desde hacía años (a pesar de mis estudios), no tengo pareja (ni ganas), ni tengo hijos (mi mayor pena). Por todo ello me resistí a celebrar mi último cumpleaños, precisamente, porque...
